MATP-600US

Appln. No.: 09/740,364
Amendment Dated October 13, 2005
Reply to Office Action of October 11, 2005

Remarks/Arguments:

As set forth in the Notice of Non-Compliant Amendment, the document filed on September 19, 2005 was deemed to be non-compliant because improper status identifiers were used for claims 1, 11, 17, 19 and 20. The amended claims, presented above, correct this error. As set forth in the Notice of Non-Compliant Amendment, because the Office Action was a non-final Office Action, Applicant is given one month from the date of the Notice to supply the corrected section of the non-compliant amendment.

As the corrected claims section is provided with this response, Applicant requests that the Notice of Non-Compliant Amendment be withdrawn and that the previously submitted amendment, with this corrected claims section be entered in the above-identified application.

Respectfully submitted,
